

Regulations Governing Participation in the 5th International School on Advanced Immunology

This document provides participants of the 5th International School on Advanced Immunology (hereinafter “the School”) with support information about the School and the regulations they are expected to follow. Please note that all dates herein refer to the year 2026 (Japan Standard Time, JST).

School participants are strongly encouraged to attend the 55th Annual Meeting of the Japanese Society for Immunology (hereinafter “the JSI Meeting”), which will be held following the School. The School Office will also provide support for participation in the JSI Meeting, and this document sets forth the details of such support and how it will be handled.

For the purpose of arranging flights and accommodations for each participant as indicated in these regulations, please complete the Questionnaire provided by the School Office by the deadline shown below.

Deadline for Questionnaire: 3 July 2026 (Friday)

1. Eligibility

1-1. Participants are selected by the Organizing Committee of the International School on Advanced Immunology (hereinafter referred to as “the Committee”). Participants must attend the entire program of the International School on Advanced Immunology (“the School”) from 10th to 15th November at the Awaji Yumebutai International Conference Center and are requested to give oral and poster presentations explaining their research. The Committee requires the participants to stay at least from the evening of 10th to the morning of 15th November. Also, participants who wish to do so may attend the JSI Meeting (17–19 November, at the Grand Cube Osaka). Participation in the JSI meeting does not require giving a presentation, but those who wish to may give one.

1-2. Dates and Venue

1-2-1. International School on Advanced Immunology

Dates: 10–15 November

Venue: Awaji Yumebutai International Conference Center (2 Yumebutai, Awaji, Hyogo 656-2306, Japan)

Website: <https://www.yumebutai.co.jp/lang/en.html>

Participants are required to stay at the Grand Nikko Awaji at least from the evening of 10 November to the morning of 15 November.

1-2-2. The 55th Annual Meeting of the Japanese Society for Immunology

Dates: 17–19 November

Venue: Grand Cube Osaka (Osaka International Convention Center)

5-3-51 Nakanoshima, Kita-ku, Osaka 530-0005, Japan

Website: <https://www2.aeplan.co.jp/jsi2026/en/index.html>

Anyone who wishes to do so may participate. While giving a presentation is not mandatory for participation in the JSI meeting, those who wish to may give one. Participants (except JSI members) are exempt from the registration fee, and the School Office will arrange accommodations during the meeting and cover the cost.

This meeting provides a valuable opportunity to bring together leading researchers from Japan and renowned experts from around the world to discuss the latest advances in immunology, and participation is strongly encouraged. All sessions will be conducted in English.

2. School Participation Fee

Participants are required to pay the participation fee of JPY 80,000 to the Office of the School (“the School Office”) by **3 July**, which consists of JPY 41,000 for the registration fee and JPY 39,000 for the networking event fee including the excursion. Participants are asked to pay these fees in **two separate credit card payments** through the website designated by the office. For the payment method, please refer to Section 10. Payment Method.

Please note that the participants from the German Society for Immunology (DGfI) will have their participation fees covered by the Japanese Society for Immunology.

In the event a participant is unable to attend the School, the School Office will refund the participation fee, minus any handling charges.

3. Registration for the JSI Meeting

3-1. How to Register for Participation in the JSI Meeting

Anyone wishing to participate in the JSI Meeting must complete the registration through the registration website below by the deadline stated below. For details on the registration procedure, please refer to the appendix at the end of these Guidelines (Appendix 1: “How to Register for JSI Meeting”).

Registration website for the 55th Annual Meeting of the Japanese Society for Immunology:
<https://immunology.conf.it.atlas.jp/login>

Registration deadline: Friday, 3 July 2026

3-2. Registration Fee

3-2-1. Participation for Two Days or More

For School participants who attend the JSI Meeting for two days or more, the registration fee for the JSI Meeting shall be waived, regardless of whether they give a presentation.

3-2-2. Participation for One Day Only

If participation in the JSI Meeting is limited to one day, the registration fee shall not be waived. In such case, the participant must register on the JSI Meeting website as a general participant and pay the registration fee.

3-3. If You Wish to Present at the JSI Meeting

Presentations (including oral presentations and/or poster presentations) are not mandatory for participation in the JSI Meeting; however, those who wish to present may do so. Anyone wishing to present must first complete participant registration and then submit an abstract through the same website by the deadline below.

Abstract submission deadline: Friday, 3 July 2026

4. Travel Arrangements for Overseas Participants (except for those from ImmunoSensation³ and DGfl)

4-1. Period of Stay in Japan

The Committee allows overseas participants to extend their stay in Japan for the period specified below to learn about and experience Japanese culture. The School Office therefore provides air tickets valid for the period including the requested extension in accordance with the following conditions.

Arrival in Japan

All participants are required to arrive at an airport in Osaka on 10 November, via either Kansai International Airport (KIX) or Osaka International Airport (Itami Airport, ITM).

Departure from Japan

Participants must depart Japan by the dates below.

- If not attending the JSI Meeting, or if attending the JSI Meeting for one day: 22 November
- If attending the JSI Meeting for two days: 25 November
- If attending the JSI Meeting for three days: 27 November

Please note that during both the School participation period and the JSI Meeting participation period, any expenses such as hotel and meals that are not explicitly stated in these

regulations as being covered by the School Office shall be borne by the participant. The School Office will not arrange or cover such expenses.

4-2. Flight Arrangement

4-2-1. Air Tickets

The School Office provides participants with non-transferable and non-refundable, economy-class, round-trip air tickets in an e-ticket format that includes necessary costs such as airfare, aviation insurance, local airport taxes, domestic passenger service facility charges, fuel surcharge, etc.

4-2-2. Arrangements

The School Office takes participants' preferences into consideration and arranges flights through a designated travel agency. In general, participants must not arrange their own flights. The School Office finalizes flight details by the end of September 2026, using information provided in the questionnaire and through email communication. E-tickets will be emailed upon confirmation of the flights.

4-2-3. Itinerary Covered by the School Office

The School Office in principle covers the expenses for a round-trip flight primarily between an airport in Osaka (KIX or ITM) and the airport nearest to either the participant's institution or residence. The itinerary must include outbound and return flights on the same route with the same airline, without any stopover (stays exceeding 24 hours in a city).

Transit

If the Committee approves that an overnight stay is necessary for connecting flights, the School Office will cover accommodation expenses within the limits specified in the University of Osaka's Travel Expenses Regulations. The participant must make hotel arrangements in accordance with the instructions from the School Office.

4-2-4. Leaving Japan from Tokyo

As a rule, participants are expected to arrive at and depart from the same airport in Osaka (KIX or ITM). However, as an exception, participants who wish to travel in Japan on their own after the completion of the School or the completion of the JSI Meeting will be allowed to leave Japan from an airport in Tokyo: Narita International Airport (NRT) or Tokyo International Airport (Haneda, HND). In this case, the participants must cover all of their own transportation expenses to NRT or HND. Therefore, participants may choose to depart Japan from either Osaka (KIX/ITM) or Tokyo (NRT/HND) after completion of the School.

Tickets must be used in the correct sequence in accordance with the arranged itinerary. If a traveler does not board any segment of the arranged itinerary, all

subsequent segments will be automatically cancelled. In such cases, the traveler must pay the School Office any non-refundable costs resulting from the cancellation. In addition, the School Office will not cover the cost of any new tickets. In other words, please note that the traveler may be required to bear double the cost for the cancelled itinerary.

4-2-5. Non-standard Itinerary for Return Trip Only

Notwithstanding the provisions of Section 4-1, the following exceptions are permitted.

(1) Itineraries that include a stay in Japan for a period longer than that permitted under Section 4-1, where the participant covers the cost of the return flight.

(2) In cases where the itinerary includes a visit to a city outside Japan and the participant bears the airfare for the portion of the itinerary corresponding to such overseas travel.

However, even in cases where the above exceptions are allowed, the School Office will, in principle, arrange all airline tickets and decide on the amount to be covered by the participant. Furthermore, participants who need to obtain a visa to enter Japan will not be allowed to stay in Japan beyond the period stipulated in Section 4-1, as the Committee Director will only act as their guarantor for the stipulated period.

4-2-6. Rebooking and Cancellation of Flights

After the flights have been booked, they may be rebooked or cancelled only if the Committee determines that a compelling reason exists. In such cases, the School Office will arrange the rebooking or cancellation. Participants wishing to rebook or cancel their flights must promptly contact the School Office by email. The School Office will rebook or cancel flights through the travel agency, which has sole authority to make changes to flight reservations.

Any expenses arising from a rebooking or cancellation will not be covered by the School Office under any circumstances, including injury, illness, or missed flights. Participants are responsible for rebooking or cancellation fees and any non-refundable flight-related expenses.

4-2-7. Amount Billed to Participants for Non-standard Flight Routes, Cancellation, or Rebooking

Participants will be promptly notified of the amount due, which is determined by the School Office, for flights taking non-standard routes or flights that are rebooked or canceled. The participants will be required to make payment promptly in accordance with the instructions from the School Office.

4-2-8. Submitting Proof of Travel

All overseas participants who take flights provided by the School Office may be asked by the School Office to submit their boarding pass stubs or document showing proof of boarding for all flights.

4-3. Domestic Transportation in Japan

Participants must arrange their own domestic transportation in Japan, including transportation to and from an airport and any transportation required to change flights (e.g., transportation between airports when transferring from NRT to HND (or vice versa)). The cost of such transportation must be covered by the participant and will not be covered by the School Office.

However, on 15 November, the School Office will arrange a bus for participants scheduled to attend the JSI meeting to travel from the school venue on Awaji Island to a hotel in Osaka City. Regardless of whether they will attend the JSI meeting, anyone who wishes to may use this bus. The bus is expected to depart the School venue in the morning and arrive at the hotel in Osaka around noon (departure and arrival times are subject to change).

4-4. Participants' Domestic Transportation Costs

The School Office does NOT cover any travel expenses for ground transportation in the country of the participants' institution or residence such as transportation between the participants' residence or institution and the airport of departure. These expenses must be covered by the participants.

4-5. Visa for Relevant Participants

Certain nationals are required to have a visa to enter Japan. Participants must check whether a visa is required for entry into Japan (including transit at connecting airports) via the website below or the website of the Japanese embassy in their country of residence. The relevant participants are themselves responsible for applying for and obtaining a visa at the embassy or consulate of Japan in their country of residence. The visa application fee must be borne by each participant. The School Office will NOT cover any charges related to obtaining a visa. Because it may take several months to obtain the visa, each participant is required to prepare for the visa application well in advance.

If the relevant participant cannot obtain the appropriate visa before traveling to Japan, the participant will no longer be eligible to participate in the School, has to cancel their flights and hotel, and must reimburse the School Office for any required fees and any non-refundable expenses arising from such cancellation.

After July, the School Office will email a series of documents that are required for the visa application, which must be prepared by the host organization, to those who may need to

obtain a visa. In order to prepare such documents, the School Office may request information from the participant, which must be provided as soon as possible. Participants are to check the relevant documents thoroughly and the School Office will not be held responsible for any deficiencies of the documents.

For more information on visa applications, please visit the following website:

http://www.mofa.go.jp/j_info/visit/visa/

Note that the participants who are living in a country other than their home country must confirm whether or not a re-entry permit for their current country of residence is required. If one is required, the participants themselves must go through the procedure to obtain the re-entry permit. The School Office will not cover any costs related to this.

4-6. Passport

Participants entering Japan are required to have a passport that remains valid for at least six months beyond their intended stay in Japan, regardless of their visa status. Each participant is responsible for obtaining a valid passport for entry to Japan. The School Office will not cover any expenses associated with obtaining or renewing passports.

Visitors who do not possess visible means (e.g., sufficient funds) for their stay in Japan or return or onward tickets may be denied entry into Japan at the point of entry.

If a participant cannot obtain a valid passport before traveling to Japan, they will no longer be eligible to participate in the School, must cancel their flights and hotel, and must reimburse the School Office for any required fees and any non-refundable expenses arising from such cancellation.

For the purpose of making flight arrangements, participants will be asked to upload a copy of the passport page containing their photograph, passport number, issue date, and expiration date on the “File Upload Form for Participants” on the members only page for successful applicants.

5. Travel Arrangements for Participants Living in Japan

Participants are responsible for arranging their own domestic transportation to and from the School venue, except for the bus arranged on 15 November as described below. By submitting the documents specified by the School Office, the cost of round-trip transportation, between the School venue and the participants’ current affiliated institutions, calculated in accordance with the University of Osaka's Travel Expenses Regulations, will be transferred to each participants’ designated bank account after the completion of the School. Participation by private vehicles is not permitted. Hotel will be arranged by the School Office. Daily allowance will not be paid. The School Office will inform the relevant participants of the necessary procedures and documents at a later date.

However, the School Office will arrange a bus on 15 November for participants scheduled to attend the JSI meeting to travel from the school venue in Awaji Island to a hotel in Osaka City. Regardless of whether they will attend the JSI meeting, anyone who wishes may use this bus. The bus is expected to depart the school venue in the morning and arrive at the hotel in Osaka around noon (departure and arrival times are subject to change).

6. Travel Arrangements for Participants from ImmunoSensation³

6-1. Flight Arrangements

ImmunoSensation³ will cover travel expenses for participants from ImmunoSensation³. The participants from ImmunoSensation³ will arrange their flights in accordance with the instructions provided by the institution.

6-2. Domestic Transportation in Japan

Participants must arrange their own domestic transportation in Japan, including transportation to and from an airport in Osaka (KIX or ITM). The costs of such transportation must be covered by the participant and not by the School Office.

However, the School Office will arrange a bus on 15 November for participants scheduled to attend the JSI meeting to travel from the school venue in Awaji Island to a hotel in Osaka City. Regardless of whether they will attend the JSI meeting, anyone who wishes may use this bus. The bus is expected to depart the school venue in the morning and arrive at the hotel in Osaka around noon (departure and arrival times are subject to change).

6-3. Passport and Visa

Sections 4-5 and 4-6 above also apply to the participants from ImmunoSensation³.

7. Travel Arrangements for Participants from DGfl

7-1. Participation Fee

The participation fee for participants from DGfl is paid by the Japanese Society for Immunology in cooperation with DGfl. Therefore, participants from the DGfl do not have to pay the participation fee.

7-2. Flight Arrangements

DGfl will cover travel expenses for participants from DGfl. The participants from DGfl will arrange their flights in accordance with the instructions provided by DGfl.

7-3. Domestic Transportation in Japan

Participants must arrange their own domestic transportation in Japan, including transportation to and from an airport in Osaka (KIX or ITM). The costs of such transportation must be covered by the participant and not by the School Office.

However, the School Office will arrange a bus on 15 November for participants scheduled to attend the JSI meeting to travel from the school venue in Awaji Island to a hotel in Osaka City. Regardless of whether they will attend the JSI meeting, anyone who wishes may use this bus. The bus is expected to depart the school venue in the morning and arrive at the hotel in Osaka around noon (departure and arrival times are subject to change).

7-4. Passport and Visa

Sections 4-5 and 4-6 above also apply to the participants from DGfl.

8. Accommodations

The School Office will arrange hotels and cover the costs of accommodation as stipulated below. Expenses incurred during stays in Japan other than those specified in this section shall be borne by the participant, and will not be covered by the School Office.

8-1. Hotels

The hotels designated by the School Office for the following periods are as follows.

School Period

(Hotel) Grand Nikko Awaji

Address: 2 Yumebutai, Awaji-shi, Hyogo 656-2306, Japan

URL: <https://www.awaji.grandnikko.com/en/>

JSI Meeting Period

Hearton Hotel Nishi-Umeda

Address: 3-3-55 Umeda, Kita-ku, Osaka 530-0001, Japan (central Osaka area)

URL: <https://www.hearton.co.jp/en/nishiumeda/>

8-2. Hotel Arrangement and Coverage During the School Period

All participants, including those residing in Japan, must stay at the hotel designated by the School Office (Grand Nikko Awaji) during the School period from check-in on 10 November to check-out on 15 November. The School Office will arrange the hotel and cover the costs of accommodation. However, for participants from ImmunoSensation³, the School Office will arrange the hotel, but ImmunoSensation³ will cover the costs of accommodation.

8-3. Hotel Arrangement and Coverage During the JSI Meeting Period

In principle, for participants who wish to attend the JSI Meeting, the School Office will arrange the designated hotel above (Hearton Hotel Nishi-Umeda) and will cover the costs of accommodation for the night immediately before each day of JSI Meeting attendance; however, the School Office cannot cover any other accommodation expenses (please refer to the items below for details). To reduce the administrative burden of hotel arrangements, if you attend the JSI Meeting, you are requested to use the designated hotel continuously from 15 November through your final day of participation.

For us to have sufficient time to arrange your accommodations, please respond **by 3 July** to the questionnaire prepared by the School Office regarding your planned dates of attendance at the JSI Meeting and your plans after the JSI Meeting. When responding, please refer to Figure 1: Flowchart for Determining Personal Accommodation Expenses for the JSI Meeting and Table 1: Personal Accommodation Expenses Based on JSI Meeting Attendance provided at the end of this section.

8-3-1. Participants Living Outside Japan

If participants traveling from outside Japan stay at the above hotel designated by the School Office (Hearton Hotel Nishi-Umeda) in order to attend the JSI meeting, the School Office will cover the costs of accommodation for the night immediately before each day of their attendance at the JSI meeting.

In addition, regardless of the participant's JSI Meeting attendance dates, the School Office can arrange accommodations at the hotel from the night of 15 November through the night of November 18. However, costs of accommodation other than those for the night immediately before each day of attendance shall be borne by the participant. (For example, if a participant attends the JSI Meeting on 17–18 November, the School Office will cover two nights, i.e., the nights of 16–17 November.)

Furthermore, for participants whose round-trip airfare is covered by the School Office (i.e., participants other than those from ImmunoSensation³ and DGfI), if they depart Japan on the day following their JSI Meeting attendance, the School Office will also arrange and cover accommodations for the night of their attendance day (including the night of 19 November, if applicable).

8-3-2. Participants Living in Japan (in the Osaka area)

For participants who live in the Osaka area and for whom access to the JSI Meeting venue is considered easy, the School Office will not arrange or cover accommodations, nor arrange or cover transportation or transportation expenses. Whether access is considered “easy” will

be determined based on the participant's place of residence in accordance with the relevant regulations of the University of Osaka.

8-3-3. Participants Living in Japan (outside the Osaka area)

If domestic participants live in a region where traveling to the JSI Meeting venue is difficult, the School Office will cover the costs of accommodation at the designated Hearton Hotel Nishi-Umeda for the night immediately before each day of their attendance.

Regardless of which days participants attend the JSI meeting, the School Office can arrange accommodations at the hotel for the period from the night of 15 November to the morning of November 19. However, participants are responsible for hotel costs other than the night(s) immediately preceding each day of attendance at the JSI meeting. (For example, if a participant attends the JSI meeting on 17–18 November, the School Office will cover the cost of accommodations for two nights on 16–17 November, while the participant will cover the cost for one night on 18 November.)

If it is difficult for the participant to return to their place of residence on the same day as their JSI Meeting attendance, the participant may return on the following day; in such case, the School Office will also arrange and cover accommodations for the night of the attendance day (including the night of 19 November, if applicable).

Note: If ImmunoSensation³•DGfl participants are departing after the meeting, patterns A-2, B-2, and C-2 apply depending on attendance dates.

Figure 1. Flowchart for Determining Personal Accommodation Expenses for the JSI Meeting

Table 1. Personal Accommodation Expenses Based on JSI Meeting Attendance

- The dates in the table indicate the night of stay (i.e., the night of the respective date).
- For ImmunoSensation³ and DGfl participants, the School Office does not arrange their flights. Even if these participants depart immediately after the JSI Meeting concludes, the School Office will not cover their accommodation expenses.

8-4. Hotel Arrangements

Any inquiries regarding the hotel arranged by the School Office must be directed to the School Office, and participants are not permitted to contact the hotels directly. If hotel arrangements are required other than those arranged by the School Office, the School Office will not make such arrangements and will not cover the related costs.

8-5. Cancellation or No-show If, for any reason, participants request cancellation of their hotels arranged by the School Office or fail to check in to the hotel without prior notice, the participants shall pay cancellation fees and any non-refundable accommodation expenses. The payment for these fees and expenses shall be made in accordance with the instructions from the School Office.

Regarding accommodation at Hearton Hotel Nishi-Umeda, cancellation fees and any non-refundable hotel charges will be deducted from the hotel expenses paid in advance by the participant, and the remaining balance will be refunded.

8-6. Room A non-smoking twin room (double occupancy room for two participants) is prepared at the Grand Nikko Awaji Hotel during the School period. The School Office will assign rooms.

A non-smoking single room at the Hearton Hotel Nishi-Umeda (in the Umeda area in Osaka City) is prepared for participants in the JSI Meeting.

8-7. Early Arrival On the day of arrival (10 November), a waiting room will be prepared for the School participants who arrive early at the venue before the hotel check-in time (15:00).

8-8. Other Charges Participants are responsible for all other charges (early check-in, late check-out, telephone, laundry, minibar, room service, etc.), and shall pay them directly to the hotel at the time of check-out.

9. Meals

9-1. Meals Covered by the School The School Office provides and cover the cost of meals during the School: breakfast (10th–15th November), lunch (11th–14th November), and dinner (10th, 12th–13th November). Participants are invited to a welcome party and a farewell party on the evenings of 11th and 14th November, respectively. However, dinner may not be available on 10th November if participants arrive late to the hotel due to their flight arrival time.

Participants staying at Hearton Hotel Nishi-Umeda will be provided with breakfast only at the hotel, and the cost is included in the accommodation fee.

9-2. Dietary Restrictions

Vegetarian meals are arranged for those who request them in advance. At buffet-style meals as well as at the parties, food ingredients will be indicated.

All participants who have any dietary restrictions/requirements must indicate this on the Questionnaire.

The School Office will enquire about details at a later date.

10. Payment method

Participation fees for the School and accommodation expenses during the JSI Meeting period (for those who wish to attend) shall be paid via the payment system “Payvent” in two installments, as follows.

Payment Method and Deadlines

Please access the designated payment system (Payvent) as instructed separately by the School Office and pay by credit card.

[First Payment]

Payment details: School registration fee (JPY 41,000) and School networking event fee (JPY 39,000) are to be made in two separate credit card payments.

Who must pay: All School participants except those from the German Society for Immunology (DGfI)

Payment deadline: 3 July 2026 (Friday)

[Second Payment]

Payment details: Accommodation expenses (personal expense portion) are to be paid by credit card.

Who must pay: Only participants who will incur personal accommodation expenses during the JSI Meeting period.

Payment deadline: After flight arrangements are completed, applicable participants will be notified separately. Payment must be made by the deadline indicated in the payment instructions.

After completing each payment, a confirmation email will be sent from the payment system. If you require a receipt, click the “Receipt (PDF)” button in the confirmation email. To ensure that you can receive emails from noreply@payvent.net, please check and configure your email whitelist (allowed sender) settings.

Note: Participants from ImmunoSensation³ and DGfl fall under pattern A-2, B-2, or C-2 depending on their attendance schedule, even if they return home/leave Japan immediately after the JSI Meeting.

11. Awaji Island Excursions

An excursion will be held on the afternoon of Thursday, 12 November during the School period to provide participants with an opportunity to experience the culture of Awaji Island. Participants may choose either the “Uzushio Cruise,” which offers a chance to experience one of the world’s largest whirlpools, or a performance of “Awaji Ningyo Joruri” (Awaji puppet theater), which is designated as an Important Intangible Folk Cultural Property of Japan. In principle, all participants are expected to join an excursion.

The group will depart after the morning session ends. After the excursion, participants will have dinner at a restaurant on the island and are scheduled to return to the hotel by 21:00 at

the latest. Transportation will be provided by a chartered bus arranged by the School Office. Transportation and participation costs (cruise fare or admission fee) will be covered by the networking event fee described in Section 2.

12. Other

12-1. School Best Presentation Awards

The Committee will give awards to those who give the best oral presentations of their research findings at the School.

12-2. Travel Insurance for Overseas Participants

The School Office strongly recommends that overseas participants obtain travel insurance for their trip. The School Office will not cover any costs or related expenses incurred in obtaining insurance.

12-3. Participant Companions

The Committee does not allow companions of participants to participate in any School program or event.

12-4. Indemnification

Participants must take all reasonable steps to avoid causing any damage to or loss of any facilities or equipment. Participants will be fully liable for any damage or loss that they are responsible for. The School Office and the Committee accept no liability for any damage or loss caused by the participants.

12-5. Disclaimer
